

Welcome to Hodson Hall Commons

Cage Free Shell Eggs

Only Cage Free Shell Eggs are offered in our serveries. Washington College Dining Services is committed to taking a stand on animal welfare by offering only HFAC

Sustainable Seafood

Chartwells has partnered with the Monterey Bay Aquarium's Seafood Watch program to assure that all seafood served in our accounts comply with strict sustainability requirements.

Fair Trade Organic Certified Coffee

We Offer Only Fair Trade Organic Certified Coffee in our residential dining venues.

Compost our Kitchen Scraps

Project Greenthumb focuses on composting.

Zero Trans Fat Oils

Only Zero Trans Fat Oils are used on our campuses.

Chicken Free of Hormones and Antibiotics

We offer ONLY Antibiotic Free Poultry on our menus. Our purchasing guidelines are set up so that we only serve chicken and pork that has been produced with restricted use of these drugs, especially as a growth additive in feed.

rBGH-Free Dairy

Our Milk is rBGH FREE! We serve fluid milk from cows that have been certified to be free of the artificial grown hormones rBGH and rBST.

Fresh Produce

We Use Only Fresh Vegetables that are prepared in batches at the last possible minute and served in the smallest possible vessels to ensure that our customers enjoy the freshest tasting foods.
