

Celebrate Washington College's storied athletics history and invest in our future.

Washington College is proud to present a premier athletics membership for those committed to the success of our student-athletes on the fields, courts, course and river.

Your membership in The Varsity will directly support Washington College athletics at-large or the specific program you have selected. These gifts will bring immediate impact to our student athletes and help our coaches to continue the traditions of excellence on and off the field that have long made Washington College proud. Examples of what your investment will provide are: equipment needs, facility upgrades, coaching staff support, team building activities (including travel and trips), videographers, live streaming, enhanced sports performance systems, Fall and Spring Alumni activities and guest speakers.

Membership benefits include the following:

- Access to a Varsity Members only quarterly electronic newsletter "Inside Athletics" from Washington College's Athletics Director, including highlights from coaches and student athletes.
- Invitation to The Varsity Skybox Events held during Fall and Spring Homecoming
- Access to Varsity member-only virtual conversations with our Coaches
- Dedicated parking at sporting events (to begin September 1, 2022)
- Access to unique apparel only available to Varsity Members
- Additional invites to Varsity member-only events
- Inclusion in Washington College's exclusive 1782 Society
